

BLOOD ORANGE MARGARITA

This blood-red version of a margarita might just satisfy your lust for blood—at least for now. If you are searching for some other vamp-worthy cocktails, check out the Vampire Apothecary where you can choose from frightfully fun dessert cocktails including a Macabre Martini and After Death, a cognac and Irish Cream concoction sure to quell the most rabid of cravings. It's a perfect way to end a day of browsing the nearby Vampyre Boutique for all your undead fashion needs.

1½ OUNCES BLANCO TEQUILA
¾ OUNCE FRESH RUBY RED GRAPEFRUIT JUICE
½ OUNCE FRESH LIME JUICE
3 OUNCES FRESH BLOOD ORANGE JUICE
½ OUNCE AGAVE NECTAR
1 DASH EL GUAPO FUEGO BITTERS
1 BLOOD ORANGE SLICE, FOR GARNISH

Fill a cocktail shaker with cracked ice. Add the tequila, juices, agave nectar, and bitters. Shake and strain into a lowball glass and garnish with a blood orange slice.

Note: For extra sweetness, rim the glass with granulated sugar before adding ingredients.

LIBATION LAGNIAPPE

To add bite to this recipe, replace the tequila with champagne or vodka.
